

## Statement of Practice Hours – Current /Recent Employment

The health professional college regulations designated under the Health Professions Act (Act) each mandate standard minimum work hours to maintain registration. Section 5 of the Act requires candidates for registration to be employed for a number of hours in practice over four (4) consecutive years immediately preceding registration. Applications for registration and renewal of registration must include proof of employment as identified in the designated College regulations. Hours of practice can include direct and indirect care as well as hours of work performed as an educator/professor, researcher, consultant, administrator/supervisor/mentor in the respective health profession. More information is available: <https://nlchp.ca/wp-content/uploads/2019/10/Policy-FINAL-Employment-Documentation2.pdf>

Statement of practice hours is required from all employer(s) within the last calendar year. Please note for self-employed registrants, hours must be verified by an independent third party. The independent third party could be an account manager, office manager or auditor. ***Please upload this completed documented as part of your renewal application.***
