Policy: Registration Category: Non-Practicing Status

Category:	Registration	Date Established	June 2018
Approved by:	NLCHP Council	Revised Date:	April 2024

Purpose: As set out in The *Health Professions Act* (the Act), the Newfoundland and Labrador Council of Health Professional regulates the practice of each health profession designated in the Schedule under the Act.

Definitions: NA

Policy:

The NLCHP non-practicing status registration category is used for periods of leave from practice (i.e., extended sick leave, maternity leave) and the Registrant is not practicing in the following four domains/practice settings: Direct clinical, education, research, and administration.

A non - practicing status registration category requires the Registrant to meet the criteria for general status registration category, except for professional liability insurance (PLI) which is not required:

- Education;
- Certification;
- Hours;
- Continuing education (Registrants are required to participate in the NLCHP - QA program despite having a non – practicing status registration category).
